Whether gasping for a refreshing cocktail after a hard afternoon's shopping or in need of a stiff whisky after a grueling meeting, one can relax in style at the deVigne bar. With its striking, yet elegant décor and a personal touch rarely found in London these days, the bars charismatic manager, Claudio, will probably know a customer's drink request before they do and if he doesn't, he'll be sure to know "the usual" by their next visit.

Warm and ambient, the deVigne bar offers one of London's most imaginative cocktail lists, created by its in-house mixologists, whose signature Wasabi Martini, an eclectic mix of Blackberry infused Tequila, Blackberry liqueur, Vodka, Wasabi paste & fresh Lime juice, is sure to excite. The team will be more than happy to accommodate the most adventurous of requests.

Catering for hotel guests and non-residents alike, light bites, such as filo tiger prawns, sweet chilli and coriander dip, chunky chips and garlic mayonnaise are served in the deVigne bar as well as mouth-watering finger platters.

Drinks: open 11 am-12pm Mon-Sat, open 5pm-10.30pm Sunday
