Reform English Breakfast Blend

Our finest English Breakfast tea is a delicious combination of premium black teas which have been blended to produce a full bodied tea with delicate flowery and spicy undertones.

Earl Grey

Probably the most famous flavoured tea: a blend of black teas from South China and the oil of bergamot. The perfect recipe for tea lovers, ideal for an afternoon or evening tea.

Assam Leaf

A beautiful large leaf with lots of golden tips, providing a full-flavoured tea rich in intensity and taste. Can be enjoyed at any time of the day and is perfect with a drop of milk.

Ceylon Dimbola

A full bodied black tea with powerful and fragrant aroma. It is highly regarded for its floral quality, full flavour and brisk character.

China Gunpowder

Also known as the “Temple of Heaven”, this variety of gunpowder tea is one of the more popular green teas in China, especially in the eastern provinces.

Spearmint

This premium whole leaf peppermint has mildly sweet undertones and its crisp freshness can be enjoyed all day long.

Rooibos Orange & Cactus Fig

A very popular rooibos blend, packed with fascinating ingredients such as papaya, liquorice and orange.

Turkish Apple

This tea is made of dried apple pieces which have been fortified with Vitamin C and when brewed, produces a subtle and delicate taste of apples.

Chamomile Flowers

Chamomile is an all-time favourite when it comes to calming the nerves. These lovely flowers produce a golden cup with a creamy and sweet infusion.

Chocolate Tea

The unmistakable flavour of chocolate without all the calories! A medium bodied blend of Chinese and Ceylon black teas that has been combined with chocolate chips and coconut to produce a wonderfully light black tea.
